To The Voters Of Town of Appomattox

This is my last opportunity to contact the voters of our town through the press before the election on June 13 when a Mayor and Council will be elected.

I have made an effort to personally contact as many voters as my limited time would permit. Those of you whom I have talked with, I appreciate the time given me, and those whom I have been unable to contact except by letter I feel sure that you will understand.

It is my desire that Appomattox will progress rapidly and continue to be a "Friendly Town." If you, the voters in The Town of Appomattox, feel as I do concerning our community, I will greatly appreciate your vote and support.

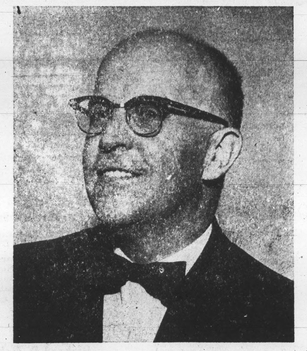
I Am A Candidate For Mayor For The Town of Appomattox



TO ALL VOTERS AND INTERESTED CITIZENS OF APPOMATTOX

I decided to become a candidate for Mayor of Appomattox in the June 13th, 1961, election without pressure or persuasion from anyone. Due to this fact, I feel strongly that I can make impartial decision without showing favoritism to any person.

If elected I will oppose any tax increase, and feel that the reassessment on real estate by the County board of reassessment which will increase Town Revenue approximately 2300.00 per year plus revenue on new buildings. will be sufficient revenue if wisely spent. I will do everything possible to see that you get a dollar value for every dollar spent.

I will do everything within my power to attract new industries to Appomattox. I feel like my contact with state officials and travels about the state enables me to do something about this.

It has been rummored that if I am elected, the parking meters will be reinstalled. I have no intentions of encouraging or making any effort to replace the meters. This will be a decision for the council.

If elected, I promise to serve to the best of my knowledge and ability, making fair and impartial decision for the betterment of our community.

I would like to express my appreciation to all of you for your kind and courteous deeds shown me during this campaign, they will always be cherished and remembered.
